**FOR IMMEDIATE RELEASE
ACTION ALERT**

FEDERAL COURT JUDGE Enforces Russian Constitution

April 09, 2016 – The [American Resistance Party](#) reports that [breitbart.com](#) has posted an article titled, **“Federal Court Bans Cross from Los Angeles Seal.”** However, this Marxist Federal Judge misunderstands the US Constitution (which is never read or studied). Our founding document makes only three references to religion. 1) “There shall be no religious tests”, 2) “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof;” and 3) when the document is signed, “...the Seventeenth Day of September **in the Year of our Lord (NOTE: aka Jesus Christ)** one thousand seven hundred and Eighty seven...”

The only place the Constitution mentions the separation of “church and state” (which the Federal Courts quote) is the **1918 Russian Constitution**, Article Two - Chapter 5 - Clause 13. For the purpose of securing to the workers real freedom of conscience, **the church is to be separated from the state** and the school from the church, and the right of religious and **anti-religious propaganda is accorded to every citizen.**

The [American Resistance Party](#) declares that when the Courts or public officials quote the statement “SEPARATION OF CHURCH AND STATE” they are quoting the Russian Constitution, and not ours!
