**FOR IMMEDIATE RELEASE
ACTION ALERT**

TARGET STORE'S "Open Invitation To Sexual Deviants"

April 27, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate says:

Liberty Counsel Action asks you to sign their petition.

Retail giant Target's new transgender bathroom policy has pedophiles and sexual predators applauding.

The April 19th corporate announcement that "inclusivity is a core belief at Target," and that the retailer stands "for equality and equity, and strive[s] to make our guests and team members feel accepted, respected and welcomed in our stores and workplaces every day," apparently forgot to address the concerns of millions of shoppers.

In their zeal to make a select few who are gender-confused and in need of prayer feel welcomed, Target dismissed the safety concerns of women and children shoppers who use their restrooms and fitting rooms.

Target's dangerous policy change is just the latest and perhaps most glaring example of how certain companies are attempting to bully consumers into accepting a radical secularist agenda — even if it puts their customers in peril.

Liberty Counsel Action has launched a national petition for concerned citizens to push back against this cultural madness — urging members to boycott Target until the retailer's misguided transgender bathroom policy is rescinded or amended to address the serious safety concerns of millions of women and children.

Our petition states:

*I refuse to shop in Target stores as long as you continue putting women and children at risk. Men should never be allowed to enter a women's restroom or fitting room. **Your "transgender bathroom policy," is an open invitation to sexual deviants and predators,** and I urge you to immediately rescind or amend your policy.*
