**FOR IMMEDIATE RELEASE
ACTION ALERT**

**LTC SHAFFER 2014:
"28 Pages (911) bad for Clinton/Bush"**

April 25, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

"The Soetoro administration is threatening to release at least part of a 28-page secret chapter from a congressional inquiry into 9/11 that will shed light on the Bush-Saudi conspiracies. The secret and hidden documents have been kept in the basement of the Capitol, and it contains information from the joint congressional inquiry into "specific sources of the collaboration of George Bush and his Saudi contacts regarding the Sept. 11 hijackers."

"I believe Soetoro is now threatening to release the pages that will hurt the Republican party to lessen the upcoming impact of FBI investigation and criminal charges that are about to be brought upon the Clintons. Then some of the criminal action will bounce back on Soetoro and his cesspool."

The 28 pages of the 911 report is a reoccurring topic.
