**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **REFUGEE ADMISSION PROGRAM An Act of Treason**

**May 25, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

**The American Resistance Party whole heartedly agrees with President Teddy Roosevelt when he said in 1907:**

*"In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American... There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag... We have room for but one language here, and that is the English language... and we have room for but one sole loyalty and that is a loyalty to the American people."*

**Theodore Roosevelt**

**The American Resistance Party is totally in disagreement with the UN invasion of radial Muslims that has been dumped on the American citizenry.**

**Ann Corcoran, head of the Refugee Resettlement Watch says, "The U.S. Refugee Admission Program is out of control. It wreaks havoc on local communities – economically, socially and culturally. The program favors Islamic peoples and others that have no respect for our customs, laws or citizens."**

**The American Resistance Party continues to campaign against the current Refugee Admission Program which is nothing more than another "Soetoro's acts of treason."**
