**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**AMERICA GREAT AGAIN?  
Ain't Gonna Happen**

**May 04, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

*I have noticed that my local community is giddy about Trump's Indiana win last night. But little do they know Trump will NEVER MAKE AMERICA GREAT AGAIN!*

*The current budget under Ayatollah Soetoro (aka BHO) prevents Trump from stopping the blood loss our Country is going through*

*Soetoro's Defense spending (is called discretionary) totals a mere \$685 billion. Our deficit is \$1.4 trillion. Defense spending could be entirely eliminated and Trump would still have a massive deficit.*

*Soetoro's National debt is over \$18 trillion, the federal budget deficit is \$1.4 trillion and, depending on whose estimates are used, the unfunded liability or indebtedness of the federal government (mostly in the form of obligations for Social Security, Medicare, Medicaid, and prescription drugs). Their cost is estimated to be between \$60 and \$100 trillion! Those entitlements along with others account for nearly 60 percent of federal spending. They are what Congress calls mandatory or non-discretionary spending. Then there's discretionary spending, half of which is for national defense. Each year, non-discretionary spending consumes a higher and higher percent of the federal budget.*

*Trump has promise continued unconstitutional Socialized medicine and an increase in vast military spending. So Federal spending, nearing 30 percent of our GDP, is the problem. For Trump to get our economic house in order, there must be large spending cuts, not only in so-called discretionary spending but in non-discretionary spending as well. IT AIN'T GONNA HAPPEN! PERIOD!*
