ACTION ALERT**

**BATHHOUSE BARRY:
'Open Schools to LGBT'**

May 13, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

newsmax.com posted an article today titled, "Obama (Soetoro) Orders Public Schools to Open Restrooms to Transgender Students." They report:

"The Obama (Soetoro) administration on Friday ordered every public school district in the United States to allow transgender students to use the bathrooms that match the gender identity they have chosen."

The articles also says,

"It will not have the force of law, but carries an implicit threat: Schools not abiding by the Obama (Soetoro) administration's interpretation of the law could face lawsuits or a loss of federal aid..."

The [American Resistance Party](#) declares that Soetoro's ordering the schools to open their bathrooms to gay and lesbian transgenders, furthers his desire for the Marxist principles to be thrown open throughout the land. The fundamental principle of Marxist theory is the complete destruction of the family and church. The 10 points of the Communist Manifesto and the later writings of Karl Marx and Friedrich Engels showed their Satanic hatred of "the family." They co-authored a book titled, "The Origin of the Family."

This final semi-partnership was an 1884 book published by Engels a year after Marx's death. Titled, "The Origin of the Family," Engels in the preface makes clear that the book reflected Marx's views.

Paul Kengor, in his book, "Takedown: From Communists to Progressives, How the Left Has Sabotaged Family and Marriage," quotes Marx and Engels:

There, and elsewhere, we see, among other things, a fanatical push to abolish all right of inheritance, to end home and religious education, to dissolve monogamy in marriage, to pursue pre- and extra-marital sex, to foster and “tolerate” (as Engels put it) the “gradual growth of unconstrained sexual intercourse” by unmarried women, to nationalize all housework, to shift mothers into factories, to move children into daycare nurseries, to separate children into community collectives apart from their natural parents, and, most of all, for society and the state to rear and educate children.

Another modern day communist, wrote a book titled, “It Takes A Village.” This book of course, was written by the Marxist candidate for U.S. President, **Hillary Rodham Clinton (running for office alongside with her sidekick, Marxist Bernie).**

Clinton has been long known for her support of anti-traditional families and has promoted the Lesbian lifestyle. She is quoted in a 2012 speech to the Human Rights Campaign's Americans for Marriage Equality campaign by announcing her continued support for same-sex marriage. She said (while still Secretary of State):

*“LGBT Americans are our colleagues, our teachers, our soldiers, our friends, our loved ones – and they are full and equal citizens, and deserve the rights of citizenship. That includes marriage,” Clinton said in the video. “That’s why I support marriage for lesbian and gay couples. I support it personally **and as a matter of policy and law**, embedded in a broader effort to advance equality and opportunity for LGBT Americans and for all Americans. [...]To deny the opportunity to any of our daughters and sons solely on the basis of who they are and who they love is to deny them the chance to live up to their God given potential.”*

And all of this is with the approval of the Comrade Sodomite-in-Chief Soetoro (aka BHO) (aka Bathhouse Barry). In the first referenced newsmag.com article, they report Soetoro favored opening up the bathrooms in public schools to all LGBT:

President Barack Obama (Soetoro) condemned the law last month (NC law) — and Lynch on Monday said it violated the U.S. Civil Rights Act.

“A school may not require transgender students to use facilities inconsistent with their gender identity or to use individual-user facilities when other students are not required to do so,” says the letter, a copy of which was provided to the Times.

It is clear that the United States of America has fallen prey to most (if not all) of the Marxist planks of the Communist Manifesto. The anti-family agenda is consistent throughout the Supreme Court, the lower court system, Congress, White House, State Governments, County and City governments and with many of the pro-sodomite churches in America.

Paul Kengor is quoted, *“This is an especially exciting time for extreme leftists. They are no doubt dizzied by their success and, even more so, by their unexpected allies in the mainstream culture. They are genuinely transforming human nature. And they are doing it with the unwitting support of a huge swath of oblivious citizens. It has been a long time coming.”*
