**FOR IMMEDIATE RELEASE
ACTION ALERT**

GEORGE SOROS Is Collapsing the Dollar

May 20, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

The "Conclusion" that the thecommonsenseshow.com gives on their show (dated: 5/18/16) is that, "(George) Soros moves to destroy the American economy and to destroy any financial power of the American middle class. not a stand-alone act."

Their webpage posting is titled, "Soros Is Collapsing the Dollar and Setting the Stage for WW III."

They report, "Disturbingly, George Soros has repeatedly demonstrated that he has had both accurate and advanced knowledge of stock market and banking crashes in the past. In fact, **Soros has a history of causing economic collapses with his preplanned money movements** (e.g. Arab Spring). Subsequently, savvy investors keep a very close eye on Soros' money movements and resulting holdings as Soros is the proverbial "Canary in the mine". **He is the world's ultimate economic hit man and both bankers and politicians watch his every move with fear and apprehension.** If you want to know what money venues to avoid, or embrace, tracking George Soros is your best bet."

The [American Resistance Party](http://AmericanResistanceParty.com) demands the arrest and incarceration of the criminal George Soros. However he is deep friends with Barry Soetoro (aka BHO), Hillary Clinton, Harry Reid, Mitch McConnell and most of the other cesspool thugs crawling around the halls of Congress. And the [American Resistance Party](http://AmericanResistanceParty.com) CANNOT trust "The Donald" who pals around with George Soros!

According to the Chicago Tribune, George Soros gave Donald Trump one-hundred and sixty million dollars to bail out Trump's Tower in Chicago. Four years later Trump spent Christmas Eve with Soros. I don't know about you, but I don't trust men who dance with the Devil
