**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**\$552.9 TRILLION DOLLAR  
Final Bubble Tsunami**

May 26, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

**Donald Trump (presidential candidate from the Socialist-lite Republican Party) says in the video below, "...we could be in a big fat bubble and if that bubble crashes it's a problem!" And then he says, "The word bubble - remember the word you heard it here first! I mean I don't want to sound rude but I hope if it explodes it's going to be now rather than two months into another administration. Because honestly you've got yourself problems!"**

**And then the video (below) explains what this tsunami-like bubble is. This video explains about the \$552.9 TRILLION dollar outstanding derivatives that the Robber-Baron-international-banksters have conjured upon heads-in-the-sand Americans.**
