**FOR IMMEDIATE RELEASE
ACTION ALERT**

**PAUL RYAN TO TRUMP:
Unify our Party = More DEBT!**

May 07, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

Under the consolidated efforts of both the Marxist-Democrats and the Socialist-Republicans the National debt has gone from \$10.7 Trillion in 2008 to \$18.1 Trillion in 2014. Today (2016), the US National Debt exceeds \$19+ Trillion. The current leader (Speaker) of the Republican Party (of the House) is Paul Ryan. Apparently Ryan forgot about his part in the making us all a debtor nation when he chided Trump for not sharing “Ryan’s values(?)”

Ryan said in an interview this week, "Yes, I am basically saying that. Look, I'm — you know, I thought about this two days ago. I thought actually this was going to go to June 7th at the very least, probably to a convention. And so this is all pretty new for us. But at this point, I think that he needs do more to unify this party to bring all wings of the Republican Party together, and then to go forward and to appeal to all Americans and every walk of life, every background, a majority of independents and discerning (ph) Democrats. And so, you know, I think conservatives want to know, does he share our values **and our principles on limited government, the proper role of the executive, adherence to the Constitution. There are a lot of questions that conservatives, I think, are going to want answers to, myself included. And I want to be a part of this unifying process. **I want to help unify this party.** But **we have to unify** it, I think, for us to be successful."?**

Ryan, Trump, Soetoro (aka BHO), McConnell, Pelosi all are bringing the American citizenry to their knees with more strangling debt. How can Ryan say his party champions "our values and our principles on limited government, the proper role of the executive, adherence to the Constitution as the debt nears \$20 Trillion?"
