MARXIST BERNIE SANDERS A Voice in the Public Square?

May 28, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

foxnews.com posted an article today (5/28/16) titled, **“Trump nixes proposed debate with Sanders.”** The article reported:

In a written statement, the presumptive Republican presidential nominee cited the “rigged” Democratic process – along with the fact that Sanders is almost certain to finish as their runner-up, and complaints about whether enough of the proceeds would go to charity – in turning down the debate proposal.

“Based on the fact that the Democratic nominating process is totally rigged and Crooked Hillary Clinton and Deborah Wasserman Schultz will not allow Bernie Sanders to win, and now that I am the presumptive Republican nominee, it seems inappropriate that I would debate the second place finisher,” Trump said.

“Likewise, the networks want to make a killing on these events and are not proving to be too generous to charitable causes, in this case, women’s health issues. Therefore, as much as I want to debate Bernie Sanders -- and it would be an easy payday -- I will wait to debate the first place finisher in the Democratic Party, probably Crooked Hillary Clinton, or whoever it may be.”

The American Resistance Party chides Mr. Trump for even considering a debate with a known Communist (Bernie Sanders) thereby giving legitimacy to the politics of this known Marxist adherent. It is clear that Bernie Sanders has rebelled against the U.S. Constitution. Sanders seeks to destroy the agency of the liberty of this nation. He wants the government to have total power (and centralized power) and to steal the fruits of most people's labors and dole the loot out to those who refuse to work and refuse to take care of themselves. Sanders wants to become the new LIAR-IN-CHIEF and take up where his fellow Marxist comrade, Barry Soetoro has left off after 7½ years of Marxist rule. Why would Trump even consider giving Sanders a voice in the public square?
