**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **HILLARY CLINTON 'Wants to Cooperate with China'**

**June 15, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

[huffingtonpost.com](http://huffingtonpost.com) posted an article on 11/10/2014 quoted from Peng Guangqian who is a Major General and Deputy Sec-Gen of China's National Security Forum.

*The General said, "China has neither the interest, nor the need, to fight the United States for hegemony or leadership. China just wants to realize its dream of national rejuvenation, bid farewell to its humiliating modern history, and truly become a country of national strength **with harmonious ethnic relations and a happy and content populace.**"*

Huffingtonpuff's leftist ideas are pure hogwash. In 2005 Maj. Gen. Zhu Chenghu, said at an official briefing regarding to an issue of the United States promising to defend Taiwan, "If the Americans draw their missiles and position-guided ammunition on to the target zone on China's territory, I think we will have to respond with nuclear weapons."

He also added, "If the Americans are determined to interfere, then we will be determined to respond," he said. **"We Chinese will prepare ourselves for the destruction of all the cities east of Xian. Of course the Americans will have to be prepared that hundreds of cities will be destroyed by the Chinese."**

The Huffingtonpuff choses to believe the lies of Peng Guangqian, but the [American Resistance Party](#) prefers to believe the promise of death and destruction that Zhu Chenghu declares. [Hillary Clinton](#) also wants to agree with the lies of huffingtonpost. The [CFR](#) quoted her 2014 book saying that she wants to "cooperate" with China.
