**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**NO 'TRUMP-REMEDY'  
To The End of America**

**June 09, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

**[rickwells.us](http://rickwells.us) posted an article on June 8 sub-titled, "Savage – Clinton Victory is the End of America – Guns, Free Speech, Freedom Will Disappear." They quoted Michael Savage's radio show with these quotes:**

*Michael Savage calls it, saying "My friends we are here now. **We are facing either the end of America** or the beginning of America" He lists the threat posed by Hillary Clinton if she becomes president. He says, "She will seize your weapons, she will eliminate the Second Amendment one way or another." It'll be either through ammunition or registration. Guns will be seized and criminalized.*

*"Two, she will criminalize speech," he says. "Talk radio will disappear. She will pass it under the guise of fairness in communications act and I will be gone as will everyone else who dares to speak the truth to these left wing fanatic vermin."*

*He continues, "If you think the Internet will be a refuge, you are mistaken," and proceeds to detail how the thought police are already in bed with each other and plotting their expansion, similar to what has been "done in Europe under the dictator Merkel and as is being done around the world by the greedy pig who owns Facebook."*

**The [American Resistance Party](http://americanresistanceparty.com) wants to remind the voters that Mr. Barry Soetoro (aka BHO) has already caused the end of America. It will be impossible to ever recover from the harm that has been done to our dead Constitution. Soetoro is an illegal alien that was born as a non-Christian to a Muslim father. Later his mother remarried to another Muslim man. Soetoro was born in Kenya to a minor 18-year-old mother. The mother needed to be 19 to pass on American citizenship. Soetoro forged a birth certificate since he cannot prove his citizenship. Congress, Supreme Court and State governments have been part of this deception. There can be no "Trump-remedy."**
