FEDERAL JUDGE Urinates on Constitution

June 30, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

SGT William A. Geresy (ret) posted a comment on patriotsheartnetwork.net yesterday (June 29, 2016). He wrote, "Seventh Circuit Judge Richard Posner sees "absolutely no value" in studying the U.S. Constitution because "eighteenth-century guys" couldn't have possibly foreseen the culture and technology of today."

I wrote the following comment to his post:

What do you expect from the political cesspool called Chicago, IL? Do you really think you can get "good fruit" from a "poisoned tree?" The Seventh Circuit has proudly built a land and community of festering evil.

This joker was appointed by Ronald Reagan. But wikipedia states, "Posner has generally been identified as being politically conservative; however, in recent years he has distanced himself from the positions of the Republican party[2] authoring more liberal rulings involving same-sex marriage and abortion.[3][4]"

But his latest new baptism in Illinois's cesspool of corruption ([a.k.a. urinating on the United States Constitution](#)) definitely violates the U.S. Code.

The way I read the words (supposedly) out of Posner's mouth was that he definitely said, "I see absolutely no value to a judge of spending ... minutes, or seconds studying the Constitution..." In otherwords he is advocating the overthrow of the U.S. Constitution! Therefore he is breaking federal law:

[5 U.S. Code § 7311](#)

An individual may not accept or hold a position in the Government of the United States or the government of the District of Columbia if he—

*(1) **[advocates the overthrow of our constitutional form of government;](#)**"*

[end quote]

I urge every reader of this post to demand the resignation of this Posner Marxist-trash!
