GOVERNOR JERRY BROWN Clueless about CA Constitution

July 02, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

constitution.com posted an article titled, "California Governor Signs SIX New Anti-Second Amendment Bills Into Law." Their lead two paragraphs were:

"California has long been the land nuts, fruits and flakes run by liberals who would rather trample on the US Constitution and Bill of Rights than on the sidewalks outside their front doors. Rep. Nancy Pelosi told the American people that Congress needs to re-write a new Constitution, while she was pushing Obamacare on the nation. More recently, California has passed laws to allow illegal aliens to register to vote when they obtain or renew a state driver's license. They've passed and put in place the nation's first cap and trade carbon tax laws and have long led the nation in pushing for the legalization of homosexuality, same-sex marriage and a variety of other perverse and profane abominable lifestyles."

"On Friday, California further trampled on the constitutional rights of American citizens. Governor Jerry Brown, a champion of liberal degradation and anti-American values, signed 6 new anti-Second Amendment bills into law."

Brown is clueless about what our CA Constitution mandates! Our basic rights from our Creator is stated in our Constitution:

ARTICLE 1 DECLARATION OF RIGHTS

SECTION 1. All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy.
