ACTION ALERT**

JUDGE RELEASES ASSASSIN To Commit More Mental Crimes

July 27, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

The man who shot President Ronald Reagan has been granted full-time release from a mental hospital where he has been treated since the 1981 attack, a federal judge ruled Wednesday.

The **American Resistance Party** declares that this is just another example of the judges setting “mental patients” out on the streets. Hinckley will continue to commit crimes and the judge that released him will never be held accountable!
