FOR IMMEDIATE

ACTION ALERT

**NATIONWIDE DAY OF RAGE
July 15-21, 2016 Soros Riots**

July 18, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

newsmax.com report: *"Top U.S. national security officials said they're worried about the potential for violence at the national political conventions that start next week, especially the challenge of holding the Republican event in a state that gives citizens the right to carry firearms openly."*

"I am concerned about the prospect of demonstrations getting out of hand," Homeland Security Secretary Jeh Johnson told the House Homeland Security Committee during a hearing in Washington Thursday. "I am concerned about the possibility of violence."

They also say:

"The Homeland Security Department will deploy about 3,000 personnel to each convention, including officials from the Transportation Security Administration, Coast Guard and Customs and Border Protection, Johnson said. More than 1,000 other U.S. government personnel will also be on hand as well as "probably thousands in terms of state and local law enforcement."

Comrade Johnson (above) claims 3000+ federal people will be on hand to battle the 100,000 George Soros rioters.

Johnson's boss, the illegal alien Soetoro is hoping a civil war will help him win a 3rd term in office! Federal agencies have been buying guns & ammo in bulk since 2009.

Marxist Bilderberger chief, George Soros has spent millions (if not billions) building up to this week. He calls for a "nationwide Day of Rage" protests on Friday, July 15th. See the list of riots in nationwide cities that are being planned on this date:
