LEARNING ABOUT SELF-RULE For Beginners – Part I

August 23, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

I have come to the conclusion that there is almost ZERO understanding of what political basis our nation (USA) was built upon. For one thing the Marxist school system that is currently established in this nation does not teach it anymore, and secondly, no one in today's society really cares. But regardless, I shall continue to sound the call to action and hopefully someone will listen!

Not a single one of my readers understand this important point. There are only two forms of government. The first one is "God's government" and the second is "all others." Our early founders of this nation, mimicked the words of George Washington who said, "While we are zealously performing the duties of good citizens and soldiers, we certainly ought not to be inattentive to the higher duties of religion. To the distinguished character of Patriot, it should be our highest glory to add the more distinguished character of Christian."

I want to point out that our nations was built on the principle that God's law from the beginning. When God created Adam in the Garden of Eden, Adam was to be self-governed, ruled only by God. We see the same principle at work in the history of the Israelite people. They were established in the Promised Land as a self-governing people. They had no king, no parliament, and no president to rule over them, only the law of God. They had been taught the law and how to deal justly with the lawless by Moses, and they put everything they had been taught into practice.

Thomas Paine, one of the early fathers of our nation wrote a book/pamphlet called *COMMON SENSE*. At first, Paine says (in his book), the world was without kings, but the ancient Jews decided they wanted a king. This angered God, but he allowed them to have one. Paine presents pages of biblical evidence detailing God's wrath at the idea of the Jews having a king. The conclusion Paine reaches is that the practice of monarchy originates from sin, and is an institution that the Bible and God condemn.

Modern American citizens are an exact replica of the ancient Jews. Our country was founded on religious beliefs. All 50 of the state constitution refer to our desire to honor our creator and thank him for the liberties that we receive from him via our birthright in this nation. The California State Constitution begins with:

PREAMBLE

We, the People of the State of California, grateful to Almighty God for our freedom, in order to secure and perpetuate its blessings, do establish this Constitution.

ARTICLE 2 (CA Constitution) show that at one time we strongly believed that we had a right to be sovereign over our government:

SECTION 1. *All political power is inherent in the people. Government is instituted for their protection, security, and benefit, and they have the right to alter or reform it when the public good may require.*

But we can now see we have lost our sovereignty. And then when we lose our sovereignty we lose our liberty and our freedoms. For if our rights and liberties come from our God and we become a godless nation, then the State becomes our god and our master.

The [Hartford Institute of Religion Research](#) has discovered that only 20% of all Americas attend church. This sorry statistic goes against what one of our founding fathers, Thomas Jefferson counseled:

"God who gave us life gave us liberty. And can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are of the Gift of God? That they are not to be violated but with His wrath? Indeed, I tremble for my country when I reflect that God is just; that His justice cannot sleep forever; That a revolution of the wheel of fortune, a change of situation, is among possible events; that it may become probable by Supernatural influence! The Almighty has no attribute which can take side with us in that event."

So those that fail to worship their creator on a weekly basis, can only be slave to the second form of government... and that is of slavery. Whether it be Marxism, Socialist or any other form of government, it is a form of government that the adversary (aka Devil, Satan, Lucifer) is the ruler of. Every person that is enslaved by this evil force has done it willingly and gladly. The "goodies" that have been promised to them have hypnotized them into believing their immediate reward will be better than their eternal reward.

This is why evil persons (gay, lesbian, Marxist, murderers) like Mr. Soetoro, Lying Hillary, Commie Bernie Sander, Canadian foreigner Ted Cruz, and all the other elected Republican and Democrat thugs are running or currently controlling ALL the public servant seats.
