LEARNING ABOUT SELF-RULE For Beginners – Part IV

August 26, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

To understand what Self-Rule is, one must read the Declaration of Independence, for it tells what self-rule is all about: "..all men ... "are endowed by their Creator with certain unalienable rights, life, liberty and the pursuit of happiness."

*The definition of liberty: 1. the state of being free within society from oppressive restrictions imposed by authority on one's way of life, behavior, or political views.
Sample - "compulsory retirement would interfere with individual liberty"
2. the power or scope to act as one pleases.*

synonyms: independence, freedom, autonomy, sovereignty, self-government, self-rule, self-determination

But this is all a sham! There is no freedom, no sovereignty nor self-government. You are a slave and just don't know it. The elections are rigged, the churches are muzzled, politics are corrupt, the courts are the enemy and evil has taken over every aspect of the country and the world.

Gays, lesbians and transgenders are the new religion of the Marxist regime. If you object to the nightly television shows parading the LGBT agenda in front of your face, then you are the problem and you are the anti-social one, not them! And the churches do little to correct the moral decay of this nation and the vile global community.

The [American Resistance Party](#) urges all citizens to break away from the evil Republican or Democrat Party. Neither truly preach or practice SELF RULE!
