**AMERICA IS NOW A MAJORITY  
Of Communist Voters**

Sept 03, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

The Election Polls in America are nothing more than attempts at brainwashing by the elite news media and political hacks. For instance, one attempt at “polling” is by [realclearpolitics.com](http://realclearpolitics.com):

| Polling Data |             |         |     |             |           |             |           |               |

All New York: Trump vs. Clinton vs. Johnson vs. Stein Polling Data

For instance, anyone with a brain can see that the highest spread shows that the sample was only 717 registered voters. And this was done somewhere in downtown New York - - which everyone knows IS NOT A BASTAIN of conservative thought.

But then too, socialism has completely taken over most of the states of America. Hillary who ran side-by-side with Marxist Bernie Sanders never once objected to his communistic principles... because her mindset was exactly the same. Does this RCP Electoral map clearly show that America is now a majority of

Communist voters? And a vote for Clinton is a vote for the Russian Constitution!?
