**FOR IMMEDIATE RELEASE
ACTION ALERT**

**2011: 48% OF AMERICANS
Would Deport Illegal Aliens**

Sept 02, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

Mr. Soetoro and his new replacement (Ms. Hillary Clinton) prefer the 2008 Russian Constitution over the U.S. Constitution. Soetoro and Clinton constantly promote the OPEN BORDERS planks of their favored Communist document:

Article 62

1. **A citizen of the Russian Federation may have citizenship of a foreign state (dual citizenship)** in accordance with federal law or an international treaty of the Russian Federation.
2. The possession of foreign citizenship by a citizen of the Russian Federation shall not diminish his (her) rights and freedoms and shall not release him from obligations stipulated for Russian citizenship, unless otherwise specified by federal law or an international treaty of the Russian Federation.
3. **Foreign citizens and stateless persons shall enjoy rights and bear obligations in the Russian Federation on a par with citizens of the Russian Federation**, except in those cases envisaged by federal law or by an international treaty of the Russian Federation.

Article 63

1. The Russian Federation **shall grant political asylum to foreign citizens and stateless persons** in accordance with the universally recognized norms of international law.
2. In the Russian Federation persons who are persecuted for their political convictions or for actions (or inaction) not recognized as a crime in the Russian Federation may not be extradited to other states. The extradition of persons accused of a crime, as well as the surrender of convicts to serve sentence in other states, shall be carried out on the basis of federal law or an international treaty of the Russian Federation.

Article 89

- The **President of the Russian Federation:**
- a. **shall decide on issues of citizenship** of the Russian Federation **and of granting political asylum;**

The American Resistance Party wish to point out that since 2011 Americans supported enforcing immigration. A poll by yougov.com show that 48% to 29% of Americans would deport illegal immigrants.

This shows that Soetoro and Hillary are in direct opposition to the American people. Whereas they prefer the Russian Constitution they spit on the United States Constitution which mandate the wishes of "WE THE PEOPLE."
