AMERICAN RESISTANCE PARTY: 10 Trump Flip-Flops

Sept 14, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

AMERICAN RESISTANCE PARTY 10 FLIP-FLOPS OF DONALD J. TRUMP

1. Trump declared Obama was *BORN IN THE UNITED STATES*. Prior to this month he suggested that Obama could not prove his citizenship and should produce an American birth certificate.
2. In former years he claimed to be "pro-choice" and only during the 2012 campaign he claimed to be "pro-life".
3. In former years he claimed to be "pro-LBGT" and only during the 2012 campaign he claimed to be a "FAMILY VALUES" man.
4. In 2008 he was pro-Obama and liked Obama's policies and only during the 2012 current presidential campaign he claimed that Obama was "terrible."
5. Trump drew millions to his campaign when he took a hard-line position on illegal aliens. Now he states, "Everything is negotiable."
6. In 2000 Trump wrote in his book he argued in favor of banning assault weapons and supported "longer waiting period to purchase a gun." Now he claims to be 100% pro-2nd amendment.
7. In 2012 Trump said in Fox News interview about Hillary Clinton, "she really works hard and I think she does a good job." Now Trump slams HRC daily "as the worst secretary of state in the history of the United States."
8. Trump said "I will repeal all of #Obamacare, including the mandate, period," and within 25 hours he flip-flopped and told CNN Anderson Cooper that he "liked" the Obamacare mandate.
9. In 1990 he said of drugs, "You have to legalize drugs." Now he says, "legalization of marijuana was "bad."
10. In 2000 he opposed a flat tax. Today he favors a 12%, 25% and 33% tax plan. It changes again and again!
