TRUMP IGNORANT OF Art II – Natural Born Citizen Clause

Sept 22, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

salon.com referred today on Trump's statement of a couple of days ago that said, "President Barack Obama was born in the United States, Period!"

Then **salon.com** commented on another statement, made today by Trump:

"Before his rally in Toledo on Wednesday, the Republican presidential nominee — who was over an hour late — answered just three questions from a reporter from Columbus, Ohio-based ABC affiliate, WSYX.

Asked "what changed?" with respect to his position on Obama's citizenship, the longtime birther confessed it wasn't necessarily a change of heart so much as a priorities shift.

"Well, I just wanted to get on with — I wanted to get on with the campaign," Trump said. "A lot of people were asking me questions," he said."

The [American Resistance Party](http://AmericanResistanceParty.com) states that Salon.com, Trump and the entire news media seems to be totally ignorant of the whole question regarding Soetoro's (aka BHO) ineligibility for the office of POTUS.

- 1) Soetoro claims to have had dual citizenship. (Which is not authorized in the U.S. Constitution). He got his foreign citizenship from his foreign-national father (Kenyan citizen). Soetoro was also a citizen of Indonesia (see school records). To be natural born, one cannot be a citizen of an alien country.**
- 2) Two of Soetoro's fathers (one birthfather, one adopted father) were NOT citizens of the United States. To be natural born, one cannot have an alien father.**
