**FOR IMMEDIATE RELEASE
ACTION ALERT**

LABOR DAY Another Unconstitutional Holiday

Sept 05, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

frontpagemag.com (by Matthew Vadum) posted on 9/5/16 an article titled, "**LABOR DAY: A CAPITALIST HOLIDAY How Grover Cleveland used the holiday to divide the Left.**" It was a rah-rah article but lacked a lot of facts.

Grover Cleveland? Let me remind the readers of this [American Resistance Party](#) Daily Action Alert that Cleveland was the first Democrat elected after the Civil War in 1885, and was the 22nd and 24th President. Grover Cleveland was the only President to leave the White House and return for a second term four years later (1885-1889 and 1893-1897).

So how does LABOR DAY become unconstitutional?

Here's how: Chester Arthur usurped the office before Cleveland was the unconstitutional and ineligible POTUS in 1881! Arthur was born in Canada and his father was a foreign national making Arthur ineligible to hold the office of POTUS.

And next we have Mr. Soetoro (aka BHO) who is the second unconstitutional POTUS who was sworn into office in both 2009 and 2013. (Again, not natural born!)

In addition, we have had both the Republican Party and Democrat Party running unconstitutional candidates for the last 135 years. Most recently we have Mitt Romney, John McCain, Bobby Jindal, Marco Rubio, Ted Cruz, Rick Santorum, Bernie Sanders, Hillary Clinton, Bill Clinton, etc, etc, etc. (All Democrats are extremely unconstitutional since they are all socialists (aka Communists). They all are in violation of **50 U.S. Code § 841** - "*The Congress finds and declares that the Communist Party of the United States, although purportedly a political party, is in fact an instrumentality of a conspiracy to overthrow the Government of the United States.*"

Hence all Democrats are in violation of the US. Constitution and become DOMESTIC ENEMIES.

NOTE: The US Oath of Allegiance (for new citizens), most State Constitutions, and the US Military oath state, "I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies, foreign and domestic; ..." The American Resistance Party state and declare that any political party that refuses to take this oath AND ACTUALLY UPHOLD IT, is a domestic enemy.

Both the Republicans and Marxist Democrats have built the government LABOR FORCE up by conjuring up the following unconstitutional labor sites (partial list):

- Advanced Research Projects Agency
- Advisory Commission on Intergovernmental Relations
- Advisory Council on Historic Preservation
- African Development Foundation
- Agency for International Development
