**FOR IMMEDIATE RELEASE
ACTION ALERT**

SOETORO's AND KERRY'S Unconstitutional Treaty

Sept 01, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

The thenewamerican.com posted an article on Aug 31, 2016 titled, “**Obama to Bypass Congress and Pretend to “Ratify” UN Climate Deal.**” In the article they report, “The blatantly fraudulent “legal argument” being advanced by ~~Obama~~ Soetoro and the White House is that the UN Paris Agreement is actually an “executive agreement.” Therefore, they claim, ~~Obama~~ Soetoro can ratify it with nothing more than his pen. In the real world, of course, the UN, the French government that oversaw the negotiations, and practically every government on earth have declared the Paris Agreement to be a “binding international treaty.” Indeed, the document itself makes that clear, with the word “shall” appearing in the text more than 100 times.”

See video on UN Climate Deal here:

The [American Resistance Party](http://AmericanResistanceParty.com) declares that Mr. Soetoro (aka BHO) has no constitutional authority to “make” any binding international treaty unless it is with 2/3rds of the US Senate “concurring”.
