CLINTON CAMPAIGN: Illegal Aliens Can Vote!

Oct 20, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

John Podesta – Clinton Campaign (via Wikileaks) about illegal aliens voting:

I think Teddy's idea scratches the itch, is pretty safe and uncomplicated.

On the picture ID, the one thing I have thought of in that space is that if you show up on Election Day with a drivers license with a picture, attest that you are a citizen, you have a right to vote in Federal elections.

See: <https://wikileaks.org/podesta-emails/emailid/17088>

The American Resistance Party condemns Clinton and Podesta for their violation of the US Constitution. Our former Constitution is clear that ONLY citizens can vote:

Amendment 14 1 *All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside.*

Amendment 15 1 *- The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of race, color, or previous condition of servitude.*

15 1 above does not state or imply that non citizens are eligible to vote. Since too many illegal alien sanctuary states now allow to vote, no election can be valid. The American Resistance Party also declares that since we have an illegal alien squatting in the white house, no election can be legitimate and our former constitution has died and we no longer have "constitutional candidates"!
