**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **PROOF DEMOCRAT PARTY Hates US Constitution**

**Oct 18, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

[wnd.com](http://wnd.com) posted an article today (10/18/16) titled, "Why DNC chair affirmed Ted Cruz eligibility." They wrote:

**Thanks to Podesta's hacked emails, we now know Brazile came up with the idea of trumping Trump by having Wasserman-Schultz announce the Dems would challenge Cruz on the issues, not his eligibility – and certainly not with a legal challenge.**

**The email:**

Subject: A thought*

*Donald Trump says that, if the Republicans nominate Cruz, "the Democrats" will file a lawsuit **challenging Cruz' eligibility.***

*DSW — or, more ambitiously, DSW, Clinton, Sanders and O'Malley — should issue a statement saying that, If Cruz is nominated, the **Democratic Party will not challenge his eligibility** and that the voters should reject him because of his views and record, **not his birthplace.***

The [American Resistance Party](http://www.americanresistanceparty.org) accuses the Democrat Party (and Republican Party) of vile and extreme violations of the US Constitution. Allowing non-citizens to run for office in the USA amounts to outsourcing our leaders and subverting our democracy is treason. We now have an illegal alien (a citizen of Indonesia) who was born in Kenya (see book jacket proof). The Democrat Party refused to **obey the Constitution** in the Soetoro matter, so why would they obey their hated document now?
