**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **SOROS, SOETORO, HILLARY: Penetrate Nation-States**

Oct 22, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

The **American Resistance Party** has viewed one of the most “telling” of the “wikileaks hacked” emails. Here, George Soros, who is an atheist, said he saw himself as “some kind of god, the creator of everything. His evil spawned Soetoro and Hillary. See: [https://wikileaks.org/syria-files/docs/2101967\\_16-aug-worldwide-english-media-report-.html](https://wikileaks.org/syria-files/docs/2101967_16-aug-worldwide-english-media-report-.html)

In this email, the **George Soros** basic concepts of his “**divine rights are described...**”

*"Soros: Right to 'penetrate nation-states' "*

*Soros' own Open Society Institute has funded opposition groups across the Middle East and North Africa, including organizations involved in the current chaos.*

*'One World Order'*

*"If governments abuse the authority entrusted to them and **citizens have no opportunity to correct such abuses**, outside interference is justified," Soros wrote. "**By specifying that sovereignty is based on the people, the international community can penetrate nation-states' borders to protect the rights of citizens.**"*

To fully understand this NEW DIVINE RIGHT that Soros had taken upon himself, please read the “Individual Profile” that **discoverthenetworks** has done on Soros. Soros has become the prime “SHADOW GOVERNMENT” of the United States (if not the world) by “penetrating nation-states” under the guise of being a sovereign individual. He desires to take over ALL nation-states via his “Open Society” See:
