**STATE OF CALIFORNIA  
COUNTY OF YUBA**

My name is **Edward C. Noonan**. I am a resident of Yuba County, State of California, and I make this statement and General Affidavit. These facts are my own beliefs and personal knowledge regarding the following matters, facts and things. I set them forth as true and correct to the best of my knowledge:

1. I have been a genealogist since 1969. I have access to the genealogical records of Ancestry.com, familysearch.org, myheritage.com and several other worldwide databases.
2. My databases include Immigration and naturalization records from colonial times to modern times.
3. The subject of my genealogical search was György Schwartz, aka George Soros.
4. There are extremely meager amounts of George Soros personal data listed in Wikipedia.com regarding the US citizenship of Soros: See **Exhibit A**
5. George Soros claims to be a citizen of the United States. Wikipedia claims "Soros was naturalized as an American citizen on December 18, 1961." **Exhibit B**"
6. Ancestry.com show that George Soros immigrated on the USS United States in 1956 arriving at New York. See **Exhibit C**
7. George Soros has never proven he is a US citizen.
8. No citizenship (naturalization) records can be found for György Schwartz. **Exhibit D**
9. No citizenship (naturalization) records can be found for George Soros. **Exhibit E**
10. Therefore a non-citizen is controlling the illegal alien (BHO) that is residing in the White House.
11. This non-citizen has been controlling the voting machines in 16+ states. **Exhibit F**
12. This non-citizen-Soros placed Barry Soetoro in as POTUS and was behind the scene in getting Hillary Clinton elected in the 2016 Primary. **Exhibit G**
13. Conclusion: Soros is NOT a citizen of the US, yet has extreme US political control.

Very little data can be found on George Soros prior to his leaving Hungary.

### The Case of George Soros (Wikipedia)

#### Early life

George Soros was born in Hungary on August 12, 1930. According to his biography Soros was taught Esperanto language by his father who was a lawyer and doctor.

#### Steve Croft of CBS's 60 minutes programs reports the following on Soros:

"...his father was a successful lawyer. He lived on an island in the Danube and liked to commute to work in a rowboat. But knowing there were problems ahead for the Jews he decided to split his family up. He bought them forged papers and he bribed a government official to take 14 year old George Soros in and swear that he was his Christian godson. But survival carried a heavy price tag. While hundreds of thousands of Hungarian Jews were being shipped off to the death camps, **George Soros accompany this phony Godfather on his appointed rounds, confiscating property from the Jews.**"

"These are pictures from 1944 of what happened to George Soros's friends and neighbors."

Soros agreed that he helped steal from his fellow Jews. Soros was a Nazi war criminal and escaped justice for his part as a Nazi collaborator. **International War Crimes law:**

#### Serious nature of the violation

A deductive analysis of the actual list of war crimes found in various treaties and other international instruments, as well as in national legislation and case-law, shows that violations are in practice treated as serious, and therefore as war crimes, if they endanger protected persons or objects or if they breach important values.

(i) The conduct endangers protected persons or objects. **The majority of war crimes involve death, injury, destruction or unlawful taking of property.** However, not all acts necessarily have to result in actual damage to persons or objects in order to amount to war crimes. This became evident when the Elements of Crimes for the International Criminal Court were being drafted. It was decided, for example, that it was enough to launch an attack on civilians or civilian objects, even if something unexpectedly prevented the attack from causing death or serious injury. This could be the case of an attack launched against the civilian population or individual civilians, even though, owing to the failure of the weapon system, the intended target was not hit. The same is the case for subjecting a protected person to medical experiments – actual injury is not required for the act to amount to a war crime; it is enough to endanger the life or health of the person through such an act.[7]

(ii) The conduct breaches important values. **Acts may amount to war crimes because they breach important values, even without physically endangering persons or objects directly.** These include, for example, abusing dead bodies;[8] subjecting persons to humiliating treatment;[9] making persons undertake work that directly helps the military operations of the enemy;[10] violation of the right to fair trial;[11] and recruiting children under 15 years of age into the armed forces.[12]

## EXHIBIT B

Soros claims to be a citizen of the United States. **Wikipedia show the following:**

### Notes

a. ^ Soros was naturalized as an American citizen on December 18, 1961.<sup>[8][9]</sup>

However, upon closer examination, **no naturalization records can be found.**

# NO PROOF OF CITIZENSHIP!

A search has been done to show that **George Soros** is a citizen of the United States as he claims. His name **cannot be found in the NATURALIZATION RECORDS.**

**HOW CAN A NON-US CITIZEN BE SO INVOLVED IN AMERICAN POLITICS?**

**HOW CAN WE TRUST A NAZI-WAR-CRIMINAL COLLABORATOR TO RUN OUR VOTING MACHINES?**

**HOW CAN WE ALLOW A DISHONEST COMMUNIST (SOROS) PLACE AN ILLEGAL ALIEN (AKA BARACK HUSSEIN OBAMA) IN AS POTUS?**

**HOW CAN WE SETTLE FOR THE SOROS CHOICE, "LYING HILLARY" TO BE POTUS?**

U. S. Immigrant Inspector

George Soros entered the United State on the ship S.S. United States. The ship arrived at the port of NEW YORK on September 11, 1956.

Soros listed his address on the manifest as 30 Broad Street, New York, NY.

This is the address of the Continental Bank Building. The Continental Bank Building is a skyscraper located at 30 Broad Street in New York City that was completed in 1932. It is next to the New York Stock Exchange.

He listed himself as “stateless” meaning that he was **hiding his identity as a Nazi war criminal**. In a 60 Minutes interview George Soros admitted that he had no remorse for helping the Nazis steal from Jews during WWII. See:

Federal law describes the requirements for naturalization/citizenship:

- 30 months of residency
- **Good character** (Did Soros confess his Nazi activity upon entry to the US?)
- Civics knowledge (Soros appears to be Marxist – which is anti-constitution!)
- **Attachment to the US Constitution** (Does Soros act as one of the “WE THE PEOPLE?” Is he really one of “We The People?” **Can he prove his citizenship?**)

In most instances in the United States, American citizens accept the citizenship of neighbors within the community via the HONOR SYSTEM. However, if the person who claims to be American and are clearly from another land (foreign country) and that person is corrupt and dishonest, the HONOR SYSTEM is not enough. There is NO naturalization papers that can be found for György Schwartz. There may be a record, but it cannot be found within common Naturalization Data Bases.

Again, no person with the name GEORGE SOROS can be found as being “naturalized” on December 18, 1961 as shown in EXHIBIT B.

**To: MR GEORGE SOROS (aka György Schwartz)**

Your citizenship cannot be verified! It is demanded that you show the documentation showing your naturalization on December 18, 1961.

You have bought the unconstitutional presidency of another illegal alien, Mr. Barry Soetoro (aka Barack Hussein Obama), so you will not be given the benefit of the doubt.

Alex Jones posted a YouTube video titled, **“Petition to Stop George Soros Voting Machines Hits 100k.”** It can be viewed at:

<https://www.youtube.com/watch?v=jtpRms16858>

This video (above) describes a “White House petition” (which has been invaded by an illegal alien) to remove illegal-alien-Soros-owned electronic voting machines. The petition had passed the 100k votes necessary for a response by November 1, 2016.

Many U.S. citizens have a gut feeling that this illegal alien named George Soros is evil and unrepentant for his part in marching millions of Jews of to the Nazi death camps.

Nor does Soros have any problem with interfering with American elections. He hates America and claims he hates God.

Prior to the last general election Soros seemed to have inside information as to how the vote would go. In video (left) he said “Hillary is a done-deal.” But his voting machines did not work out for him.

<https://www.youtube.com/watch?v=rCrKOcP4foI>

George Soros, the Nazi war criminal from Hungary, and illegal alien to the United States should NOT control or have anything to do with our US elections!

**SOROS! PROVE YOU ARE A US CITIZEN!**

## EXHIBIT G

### New York Times Editor John Swinton famously said:

*“There is no such a thing in America as an independent press, unless it is out in country towns. You are all slaves. You know it, and I know it. There is not one of you who dares to express an honest opinion. If you expressed it, you would know beforehand that it would never appear in print. I am paid \$150 for keeping honest opinions out of the paper I am connected with. Others of you are paid similar salaries for doing similar things. If I should allow honest opinions to be printed in one issue of my paper, I would be like Othello before twenty-four hours: my occupation would be gone. The man who would be so foolish as to write honest opinions would be out on the street hunting for another job. The business of a New York journalist is to distort the truth, to lie outright, to pervert, to villify, to fawn at the feet of Mammon, and to sell his country and his race for his daily bread, or for what is about the same — his salary. You know this, and I know it; and what foolery to be toasting an “Independent Press”! We are the tools and vassals of rich men behind the scenes. We are jumping-jacks.*

*They pull the string and we dance. Our time, our talents, our lives, our possibilities, are all the property of other men. We are intellectual prostitutes.”*

One such examples of this is billionaire [George Soros](#), who became rich by engaging in immoral and legally questionable hedge fund and currency trading which, among other acts, [caused the destruction of the British Sterling in 1992](#) and forced its replacement with the pound. An avowed socialist and misanthrope, Mr. Soros has funded and continues to fund groups through his Open Society Foundation, which while claiming to “promote democracy,” has been at the center of [many revolutions that have taken place across the world and movements aimed at the religious, cultural, and ethnic destruction of the United States and Europe](#), of which the most recent project is [supporting the Muslim “migration” to Europe taking place right now](#).

Fortunately, some people and governments have taken note of Mr. Soros’ activities and have been driving out his groups. Russia recently banned the Open Society Forum, and Poland is currently undertaking changes to its laws that will greatly restrict the OSF’s ability to operate, to which the OSF has naturally complained and called “undemocratic.”

**Mr. Soros is totally unconstitutional. The United States Constitution mandates that, "The United States shall guarantee to every State in this Union a Republican Form of Government ..." Soros instead turns all Americans into slaves. Soros is NOT a US Citizen so your slave-master is a foreign national.**

**This illegal alien placed Obama into office as POTUS. Furthermore, he has bought and bribed MUCH of Hillary Clinton’s way into the candidacy for POTUS 2016. It did not go as Soros expected, so he is hiring goons to protest and riot in many states.**
