**FOR IMMEDIATE RELEASE
ACTION ALERT**

**SIGN THE PETITION:
Investigate Hillary's Crimes**

Nov 7, 2016 – **Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

SIGN THE PETITION URGING FOR A SPECIAL PROSECUTOR TO INVESTIGATE HILLARY CLINTON'S CRIMES

SIGN THE PETITION

Therefore, we hereby add our names to this petition calling on Congress to hold Hillary Clinton in contempt of Congress for purposely destroying evidence three weeks after it was subpoenaed, and we likewise encourage Donald J. Trump, if he is elected president, to appoint a special prosecutor to conduct a complete and fair investigation – one not compromised by craven political loyalties – into Hillary Clinton's egregious abuse of America's state secrets.

One of America's core principles, first expressed by President John Adams, is that ours is "a government of laws, and not of men." In plain language, America is not a monarchy and no one is above the law – not even the Clintons. Holding Hillary Clinton legally accountable, at long last, for at least some of her many criminal misdeeds by applying the same legal standard to them as to any other citizen would go a long way toward restoring citizens' flagging faith in America as a just, moral and great nation.
