**FOR IMMEDIATE RELEASE
ACTION ALERT**

**MR SOETORO'S (AKA BHO)
Power to Pardon?**

Nov 10, 2016 – **EDWARD C NOONAN, Former 2016 Presidential Candidate reports:**

How stupid do they think the [American Resistance Party](#) is?!

Fox News has been suggesting that Hillary Clinton (and her minions) may be pardoned by Mr. Soetoro before he leaves office. They say (Judge Andrew Napolitano of Fox News) that the U.S. Constitution gives the "(true) President complete "power to pardon"!"

How can it be that they (Fox News) bow down to Art II – Section 2 of the U.S. Constitution but they refuse to likewise bow down to Art II – Section 1 of the same document? How can PARDONING POWER be acknowledged, but the qualifications of a (true) President be ignored?

Section 2 states, "The President..." "...shall have Power to Grant Reprieves and Pardons for Offenses against the United States, except in Cases of Impeachment."

Yet Mr. Soetoro has failed to prove that he is a U.S. citizen as demanded by the Constitution... "No person **except a** natural born **Citizen**, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President;..."

Before Trump flip-flopped on the issue he tweeted in 2012 the following:

Trump was referring to the book jacket of Mr. Soetoro (aka BHO)(see image below):

CNN printed 14 statements below of Trump since 2011

1. "Why doesn't he show his birth certificate? There's something on that birth certificate that he doesn't like."
- March 23, 2011, on ["The View"](#)

2. "He's spent millions of dollars trying to get away from this issue. Millions of dollars in legal fees trying to get away from this issue. And I'll tell you what, I brought it up, just routinely, and all of a sudden a lot of facts are emerging and I'm starting to wonder myself whether or not he was born in this country."
- March 28, 2011, on [Fox News](#)

3. "He doesn't have a birth certificate, or if he does, there's something on that certificate that is very bad for him. Now, somebody told me -- and I have no idea if this is bad for him or not, but perhaps it would be -- that where it says 'religion,' it might have 'Muslim.' And if you're a Muslim, you don't change your religion, by the way."
- March 30, 2011, on [The Laura Ingraham Show](#)

4. "I have people that have been studying [Obama's birth certificate] and they cannot believe what they're finding ... I would like to have him show his birth certificate, and can I be honest with you, I hope he can. Because if he can't, if he can't, if he wasn't born in this country, which

is a real possibility ... then he has pulled one of the great cons in the history of politics."

- April 7, 2011, on [NBC's "Today" show](#)

5. "His grandmother in Kenya said, 'Oh, no, he was born in Kenya and I was there and I witnessed the birth.' She's on tape. I think that tape's going to be produced fairly soon. Somebody is coming out with a book in two weeks, it will be very interesting."
- April 7, 2011, on MSNBC's ["Morning Joe"](#)

Note: On April 27, 2011, President Obama made public his long form birth certificate. The Trump campaign in his statement portrayed this as the event that resolved the situation.

"Having successfully obtained President Obama's birth certificate when others could not, Mr. Trump believes that President Obama was born in the United States," Miller said.

But as the following comments demonstrate, whatever he thought personally, Trump continued to gin up birther issues for years after.

6. "He didn't know he was running for *President*, so he told the truth. The literary agent wrote down what he said ... He said he was born in Kenya and raised in Indonesia ... Now they're saying it was a mistake. Just like his Kenyan grandmother said he was born in Kenya, and she pointed down the road to the hospital, and after people started screaming at her, she said, 'Oh, I mean Hawaii.' Give me a break."
- May 24, 2012, interview with [The Daily Beast's Lloyd Grove](#), responding to an erroneous report about Obama

7. "A lot of people do not think it was an authentic certificate. ... Many people do not think it was authentic. His mother was not in the hospital. There are many other things that came out. And frankly if you would report it accurately I think you'd probably get better ratings than you're getting."
- May 29, 2012, to [CNN's Wolf Blitzer](#)

8. "An 'extremely credible source' has called my office and told me that @BarackObama's birth certificate is a fraud."

- August 6, 2012, in a [tweet](#) more than a year after Obama released his longform birth certificate

9. "Was it a birth certificate? You tell me. Some people say that was not his birth certificate. Maybe it was, maybe it wasn't. I'm saying I don't know. Nobody knows."
- August 2013, to [ABC News](#)

10. "How amazing, the State Health Director who verified copies of Obama's 'birth certificate' died in plane crash today. All others lived."

- December 12, 2013, in tweet about the [death of Loretta Fuddy](#).

11. "Well, I don't know -- did he do it? ... Well, a lot of people don't agree with you and a lot of people feel it wasn't a proper certificate."

-May 2014, in an interview with [TV3's Colette Fitzpatrick](#) in Ireland, Trump first contested whether Obama had released his birth certificate, then questioned whether its legitimacy.

12. "There are three things that could happen. And one of them did happen. He was perhaps born in Kenya. Very simple, OK? He was perhaps born in this country. But said he was born in Kenya because if you say you were born in Kenya, you got aid and you got into colleges. People were doing that. So perhaps he was born in this country, and that has a very big chance. Or, you know, who knows?"

- May 27, 2014, in remarks at the [National Press Club](#)

13. "Who knows about Obama? ... Who knows, who knows? Who cares right now?... I have my own theory on Obama. Someday I will write a book, I will do another book, and it will do very successfully."

- January 6, 2016, in an interview with [CNN's Wolf Blitzer](#).

14. "I'll answer that question at the right time. I just don't want to answer it yet ... I don't talk about it anymore. The reason I don't is because then everyone is going to be talking about it as opposed to jobs, the military, the vets, security."

- September 15, 2016, in an interview with [The Washington Post](#).

Noonan v. Bowen (Charge/Case brought before the U.S. Supreme Court) (Dismissed)

This is the matter of the most egregious crime ever committed against the United States of America and People of the United states of America and the most serious breach of the U.S. National Security, namely usurpation of the U.S. Presidency by a citizen of Indonesia, born in Kenya, Barack (Barry) Soebarkah, aka Barack (Barry) Soetoro, aka Harrison J. Bounel, aka Barack Hussein Obama, using all forged IDs and a stolen CT Social Security number as a basis of eligibility and as a basis of his U.S. citizenship. Plaintiffs submitted with their original complaint and subsequent pleadings some 150 pages of sworn affidavits of top law enforcement officers and experts, showing Obama committing massive fraud and using a stolen Social Security number xxx-xx-4425, forged birth certificate and a forged selective service certificate. This represents suspension of all civil rights an deprivation of all civil rights of the U.S. citizens, as the top position in the executive branch is being usurped by a foreign citizen, who has no allegiance to this nation and who is using forged and stolen IDs as a basis of his eligibility.

Mr. Soetoro has had many chances to prove that he is a citizen of the United States in court. He has failed to do so.

Until he does, he has no authority to act as a "president" regardless of what the corrupt congress or corrupt courts say or do.

The California State Constitution states it is a human right for ALL FELONIES to be brought into a court. Failure to do so is unconstitutional!

Is Trump flip-flopping on this campaign promise too? > "If I win, I am going to instruct my attorney general to get a special prosecutor to look into your situation..."
