FOR IMMEDIATE RELEASE
ACTION ALERT

VOTING FRAUD:
Every Election is Rigged!

**Nov 1, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:**

VOTING FRAUD – Election Rigged! See video:
http://blackboxvoting.org/fraction-magic-video/

blackboxvoting.org posted their report (see video on left) saying that "black box voting" is a scam and a fraudulent voting procedure throughout the USA. They say:

"A real-time demo of the most devastating election theft mechanism yet found, with context and explanation. Demonstration uses a real voting system and real vote databases and takes place in seconds across multiple jurisdictions.

Over 5000 subcontractors and middlemen have the access to perform this for any or all clients. It can give contract signing authority to whoever the user chooses. All political power can be converted to the hands of a few anonymous subcontractors."

"It's a product. It's scaleable. It learns its environment and can adjust to any political environment, any demographic. It runs silently, invisibly, and can produce plausible results that really pass for the real thing."

Provides solutions and actions for immediate deterrence.

Noonan says: *"As a 3rd party candidate, I know I could not run each time AND ONLY GET 1% OR 2% in each election that I ran in. At this same time High Schools were running mock elections with HS students and I would be getting 10%, 15% and even as high as 20%. Basically what was happening was that votes are being taken from the 3rd party candidates and GIVEN to the chosen candidate of the con-artists of the election offices. Put THAT in your Black Box Voting results and you would then REALLY HAVE THE TRUTH!"*
