**As a Veteran I watched the constitution being murdered since 2008. We have had an illegal alien take over the white house. And the "swamp" has increasingly been filled with crooks and liars like Harry Reid, Nancy Pelosi, the Clinton's, George Soros and the minions of other Satanic Marxists and global Socialists.**

**But to all of our friends who are constitutional veterans, and who have attempted to defend our nation against our foreign and DOMESTIC enemies, we honor you today for your sacrificial service to our country.**

**Thank you all for your sacrifices to defend the Constitution of the United States and your protection of our liberties and freedoms contained therein. Your actions are honorable!**
