**FOR IMMEDIATE RELEASE
ACTION ALERT**

SECOND AMENDMENT Sanctuary Cities Proposed

12/27/16 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

canadafreepress.com posted an article today (12/27/16) by [Greg Penglis](#) titled, "Second Amendment Sanctuary Cities." The first two paragraphs were:

"If socialist, leftist cities like San Francisco, Chicago, New York, and a bunch of others nationwide, can pass Sanctuary City laws to harbor fugitive illegal aliens from federal law enforcement, then why can't cities, counties, and other entities under the oppression of unconstitutional gun laws, create Second Amendment Sanctuary Cities where no infringing gun laws apply?"

"A Second Amendment Sanctuary, is where a town, city, or county government, has passed laws outlawing the enforcement of any law touching the right to own and carry any firearm. It is where law enforcement officers honor their sworn oath to the Constitution, and refuse to arrest anyone exercising only their right to own and carry a firearm, regardless of infringing unconstitutional laws still on the books, and in defiance of any orders of superiors, judicial orders, executive orders, or any orders. It is where Americans unaccustomed to their birthright freedoms can actually experience what it would be like if we were a free country, and the Second Amendment was fully enforced."

The [American Resistance Party](#) agrees with the above. Most U.S. Marxist-leaning elected officials follow the Constitution... THE **RUSSIAN CONSTITUTION!:**

THE CONSTITUTION OF THE RUSSIAN FEDERATION

Article 31. Citizens of the Russian Federation shall have the right to gather peacefully, **without weapons**, and to hold meetings, rallies, demonstrations, marches and pickets.

Most Marxist elected public officials in cities like San Francisco, Chicago, New York and most other soviet-satellites in the Continental U.S. forget or completely ignore the U.S. Constitution. It is the same Marxist comrades that installed an illegal alien Kenyan born, Indonesian citizen in as a *de facto* white house executive. If they are willing to do that, then murdering the 2nd Amendment is okay with them as well!
