**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**ENEMIES OF THE CONSTITUTION:  
"Bad Parties Must Be Replaced"**

12/06/16 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**On November 29 Lynn Vogel posted on Facebook the following:**

*"Did you know political parties date way back to beyond Pericles who promoted populist democracy in ancient Greece?"*

*And in all those centuries not one party turned bad has ever been fixed or repaired anywhere in the world.*

*Since the early 1960's conservatives have tried to fix and save the GOP and it has failed miserably.*

*Should we heed our Founders and replace bad parties or do as conservatives and try to defy history and keep repeating 56 yrs of failure trying to save the GOP?*

*I agree with history and our Founders.*

*Bad parties must be replaced.*

*We need a new party run by the People, not crony powers."*
