Honest Gabe,

You must be reading my mail, and my mind.

I woke up this morning with brain sparks a-flyin' and was about to sit down to the computer to assemble those sparks, when, lo and behold, you assembled them for me herein!

BRAVO, Gabe. A signed petition signed by Birther-Patriots, at least, is exactly what we need, with some 2 million signatures, ideally, for back-up...all in less than 29 days.

1. Who will lead this effort; whose face, literally, will some 320,000,000 Americans link to this petition and all that follows in this proposed historic adventure?

LTC Terrence Lakin is a good choice; a dedicated and decorated flight surgeon abandoned, imprisoned and evicted from the military.

2. The group goal is to arrest, incarcerate and punish Barry Soetoro and several others for nationally syndicated ID felony, breach of public trust and treason. Most senior-citizen Birther-Patriots likely agree with this noble end-goal, however, the most important goal will likely be maintaining group cohesion getting us from today to that particular Judgment Day(s).

If we Birther-Patriots can not be in the same room together, both physically and mentally, we will be our own worst enemy to group cohesion. Selflessness MUST over-rule selfishness and personal agendas.

3. Who will go to illegal Sanctuary City Washington, PC/DC to oversee trials? Since reliance on crony government attorneys, whose everyday concern is paid-pensions, not free-patriotism, the trials **MUST, MUST, MUST** be supervised by duly empowered private-practice licensed attorneys: Atty. Taitz, Atty. Klayman, Atty. Mario Apuzzo, PRIVATE PRACTICE Judicial Watch attorneys et al, who will conduct hearings and immediately afterwards, return to private practice.

4. My proposal for consideration, since time is of the essence:

**AMERICAN BIRTHEP-PATRIOT ASSEMBLY TO REVEAL USURPATION
08/28/08 – 1/21/17**

Presiding Birther-Patriot: Donald John Trump
President: Atty. and Doctor Orly Taitz
Vice-president: LTC(Betrayed) Terrence Lakin, MD
Secretary: Don Fredrick, author of ObamaTimeLine
Treasurer: Sharon Rondeau, owner of The Post and Email

10 Voting Directors:

1. Sheriff Joseph Arpaio
2. LT Michael Zullo
3. Gabor Zolna
4. Commander Kerchner
5. Jerome Corsi
6. Thomas Fitton/Judicial Watch
8. Atty. Larry Klayman
9. Michael Volin
10. Jonathan Mooers/PE

Other leading-voting assembly participants include: Edward Noonan, Thomas Davis, Robert Quinn, Robert Laity, Susan Daniels, Mia Pope, Aaron Klein, Sharyl Attkisson, General Paul Vallely, JB Williams and so many others who have shown 8 years of perseverance following this national/international ID felony-treason.

All that is stated above is pie-in-the-sky until it is acted upon, ORGANIZED and made real. It is a beginning point, awaiting improvement and heart-powered actions.

MESSAGE: see attached text= *all 320,000,000 American citizens have an inalienable Constitutional RIGHT-TO-KNOW the full identity of any presidential candIDate and incumbent presIDent at any time, and the right-to-know the full identity of Barry Soetoro-Obama has been systematically robbed from us each day for some 8 years by our U.S. governmental structure, officially beginning on 08-28-08:*

Am I talking to myself? Comments?

Orly, are you with us? I, for one, am awaiting your comments and directives herein on said petition. I can compose its Preamble, BUT WHO WILL SIGN AND SEND IT TO DONALD TRUMP? What will my grandson see in DREAMS FROM MY GRANDSON when he is my age in 2076, when today's Birther-Patriots are all gone,

**and he looks back to this patriotic proposal herein, and actions that followed?
Anything?**

**JD Mooers, PE:
Are Birther-Patriots united in seeking justice
or only united in criticism.**

The accomplice to the crime of corruption is frequently our own indifference.

We need to start a petition to gather a few million signatures, and send it to in President Elect, Donald J Trump, so that on January 21, 2017, similar to Barack Hussein Obama, who signed Executive Order Number 13489 into law, that buried his past, President Donald J Trump needs to sign and Executive Order, that unravels Barack Hussein Obama's first executive order.

The new Attorney General, Jeff Session, also needs to subpoena, Justice Elena Kagen, Congresswoman Nancy Pelosi, Senator Harry Reid. AG Eric H. Holder Jr, and under oath they need to be asked what their involvement was in perpetrating the biggest fraud ever on the entire world. Michelle Obama mums be examined by medical professional, and his gender must be made aware, to the American people.

Once Obama's Executive Order number 13489 is unraveled, anything, and everything that Obama signed into law will be negated. Once again, the American people, and the free world need to know the truth. If Barack Hussein Obama is proven to be what most of the world already knows, a usurper, Barack Obama needs to be tried for countless acts of treason, along with anyone, and everyone that participated, in the worlds greatest fraud.

I look forward to anyone's suggestion, as how we can begin gathering over two million signatures in a relatively short period of time. The truth is that justice must be done, and Barack Hussein Obama must be held accountable, for all that he has done against the entire world. Needless too say, I look forward to your suggestions, as too how we can best proceed.

Sincerely,

Gabor Zolna

The [American Resistance Party](#) agrees with most of the above email that was received today. As I viewed Gabes [12/22/16 video](#) (see top of page link), I discovered that he must not have read/viewed my 12/19/16 post titled, "[Dec 19, 2016 - BARRY SOETORO \(AKA BHO\) Violating Executive Order 13489.](#)"

Gabe says, "...Barack Hussein Obama, who signed Executive Order Number 13489 into law,..." seems to contradict what the law actually says. 13489 refer ONLY to incumbents and FORMER PRESIDENTS. Soetoro (aka BHO) cannot use this EO to protect any records that were NOT as a result of presidential action... READ THE FRIGGEN EO or read my [Daily Action Alert of Dec 19th](#).

Yes, let us have a petition. Let us petition that 13489 BE UPHELD and Soetoro release his personal records so he can be vetted!

The [American Resistance Party](#) offers the following PETITION to rally Congress to remove Mr. Soetoro from office. Please read it, sign it, post it, and pass it along.

PEOPLE'S PETITION

Letter to
U.S. Congress
U.S. House of Representatives
The People of The United States

United States Constitution, Article II – Section 1 – Clause 4:

“No person except a natural born Citizen, **or a Citizen of the United States**, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any Person be eligible to that Office who shall not have attained to the Age of thirty-five Years, and been fourteen Years a Resident within the United States.”

Petition Demanding the Arrest of **Barry Soetoro (aka Barack Hussein Obama)** (aka BHO) under 18 U.S. Code § 911 - Citizen of the United States

“Whoever falsely and willfully represents himself to be a citizen of the United States shall be fined under this title or imprisoned not more than three years, or both.”

(June 25, 1948, ch. 645, 62 Stat. 742; Pub. L. 103-322, title XXXIII, § 330016(1)(H), Sept. 13, 1994, 108 Stat. 2147.)

The Petition:

We, the undersigned, do hereby petition the United States House of Representatives to uphold the United States Constitution as a living symbol of democracy, and exercise their civic and moral duty as duly elected representatives of the people of these United States in declaring Barry Soetoro (aka BHO) ineligible to perform the duties of the office of President of the United States of America under Article II, Section I, Clause 4 of the United States Constitution because he is not a US citizen.

Promotional booklet produced in 1991 by Barack Obama's then-literary agency, Acton & Dystel, which touts Obama as "born in Kenya and raised in Indonesia and Hawaii."

The booklet, which was distributed to "business colleagues" in the publishing industry, includes a brief biography of Obama among the biographies of eighty-nine other authors represented by Acton & Dystel. It also promotes Obama's 1st book, *Journeys in Black and White* --which Obama abandoned, later publishing *Dreams from My Father* instead.

Barack Obama

Barack Obama, the first African-American president of the Harvard Law Review, was born in Kenya and raised in Indonesia and Hawaii. The son

"Born In Kenya!"

Barry Soetoro's, (aka BHO's) stands accused, in multiple counts in violation of both Civil and Criminal Law, including falsely claiming he is a citizen of the United States. Instead, he has claimed since 1991 that he was BORN IN KENYA. (See left).

Barry Soetoro stands accused of posting a falsified and fraudulent Hawaiian birth certificate on a website controlled by the White House. This bogus Hawaiian birth certificate does not prove that Soetoro is a citizen of the United States because the Maricopa County Sheriff's Department in the State of

Arizona has proved the birth certificate to be a fraudulent photo-shopped document.

Two worldwide expert teams have declared it a fraud as well. Therefore, 18 U.S. Code § 911 proclaims it a felony to falsely pretend to be a US citizen.

Barry Soetoro's own grandmother claimed that "she was there" when Barack was born in Mombasa, Kenya.

Barry Soetoro, (aka BHO) later was adopted and became a citizen of Indonesia in 1971. (See left)

Barry Soetoro has never proved that he legally changed his name back to Barack Hussein Obama from his adopted name of Barry Soetoro.

Barry Soetoro's Indonesian school records claimed he had become a citizen of said nation (Indonesia). To be a NATURAL BORN CITIZEN of the United States of America the

said citizen cannot have parents that are aliens to the US, nor be born in an alien country.

Barry Soetoro has never proved he reapplied for US Citizenship. (There has never been "Dual Citizenship" allowed by the US Constitution. Dual Citizenship is a figment of the imagination of Supreme Court Justices and has no basis in Constitutional law.)

Finally, Barry Soetoro's birth father (Barack Hussein Obama Sr.) was already married to a couple of tribal women in Kenyan. This made the bigamist marriage to Ms. Stanley Ann Dunham (mother of Barry Soetoro, aka BHO) null and void. A bastard child cannot be considered a NATURAL BORN CITIZEN according to Common Law or Biblical Law.

Barry Soetoro fraudulently forged a selective service card.

Barry Soetoro has used stolen Social Security numbers and cannot prove the several social security numbers that he has used through the years are not stolen.

The **California Constitution** claims it is a **Declaration of Rights** of all citizens that all felonies SHALL BE prosecuted:

SECTION 14. **Felonies shall be prosecuted as provided by law**, either by indictment or, after examination and commitment by a magistrate, by information. A person charged with a felony by complaint subscribed under penalty of perjury and on file in a court in the county where the felony is triable shall be taken without unnecessary delay before a magistrate of that court.

We, the undersigned, submit that Barry Soetoro (aka BHO) has repeatedly demonstrated such corruption, low moral character, recklessness, and incompetence, as to warrant immediate convention of those persons and bodies within the House of Representatives necessary to begin urgent proceedings towards an exhaustive inquiry of Soetoro's arrest and deportation on the above stated legal grounds.

So say the people of the United States of America.
