**FOR IMMEDIATE RELEASE
ACTION ALERT**

#1 TOP 100-DAY PRIORITY 'Resurrect the Dead Constitution'

12/21/16 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

grassrootsaction.com posted a poll on 12/20/16 asking for the top three priorities that Trump should have. Here are the choices:

Select your TOP THREE priorities for the Trump administration in its first 100 days (select three):

- **BORDER SECURITY.** Begin building a border wall, empower federal and state officials to stop the flood of **illegal immigration**, cancel all federal funding to sanctuary cities, and begin removing the up to two million criminal illegal aliens within our borders.
- **CLIMATE.** Cancel **billions in payments to U.N. climate control programs** and utilize those funds to fix America's water and environmental infrastructure.
- **CLINTON.** Investigate and prosecute **Hillary Clinton's email and foundation scandals.**
- **DEFEAT ISIS.** Launch a plan to defeat ISIS and **suspend immigration from terror-prone regions** where vetting cannot safely occur.
- **EDUCATION.** End **Common Core** and pass school choice legislation to empower parents and break the statist monopoly on American education.
- **EXECUTIVE ORDERS.** **Cancel every unconstitutional executive action, memorandum and order issued by President Obama.** (Soetoro)
- **ENERGY.** Lift the restrictions on the production of \$50 trillion worth of job-producing American energy reserves and **remove the Obama (Soetoro) barrier** to the Keystone Pipeline.
- **GOVERNMENT REFORM.** **"Drain the Swamp"** by implementing a FREEZE on non-military federal hiring, imposing a ban on White House or Congressional officials lobbying within five years of leaving office, and proposing a Constitutional amendment to impose term limits.
- **OBAMACARE.** Repeal **ObamaCare** and its **onerous mandates** and replace it with a system not bound to current employer, is portable across state lines, and empowers health-savings accounts to make insurance more affordable and consumer friendly.
- **SUPREME COURT.** Select a Supreme Court nominee in the pattern of the late Justice Antonin Scalia who **will interpret and honor the Constitution.**
- **TAX REFORM.** **Lower taxes** and simplify the tax code so all Americans can easily file their own taxes.
- **TRADE.** Announce intention to withdraw from the Trans-Pacific Partnership and NAFTA, and renegotiate the deals with the interests of **Americans workers first.**

The **American Resistance Party** objects to the fact that that grassrootsaction.com did not list the **MOST IMPORTANT** item. And that item was: **Determine what is a Natural Born Citizen.** Apparently the long held definition that a NBC is a person with no alien parents nor one born in an alien country. If we cannot determine the qualifications of the Chief executive, how can we be a constitutional nation? Currently we have an illegal alien squatting in the white house.

Next, the United States is a Christian nation. How can we tell? We use a dating system based on the death of Jesus Christ. We tell the date by saying, "in the year of our Lord Jesus Christ". If we are a Christian nation should we submit ourselves to non-Christians (i.e. Muslims)?

The **yellow items** in the list above are a result of NOT FOLLOWING THE constitution and Biblical Law.
