**FOR IMMEDIATE RELEASE
ACTION ALERT**

**HIT THE ROAD BARACK
Hit the Road Newsweek!**

1/06/16 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

JD Mooers wrote today (1/6/17): **Newsweek Closed Its Doors with a Slam at Obama (Soetoro aka BHO)**

Newsweek Is Now History. The liberal Newsweek Magazine is going out of business, but not before it attacks the President (Soetoro aka BHO). This is quite an article, even more so when you consider that NEWSWEEK finally had the guts to admit it. WOW! Newsweek COVER!!! It is their last cover before they fold. Also read the article at the end. AMAZING!!!

Finally, Matt Patterson and Newsweek speak out about Obama (Soetoro aka BHO). This is timely and tough. As many of you know, Newsweek has a reputation for being extremely liberal. The fact that their editor saw fit to print the following article about Obama (Soetoro aka BHO) and the one that appears in the latest Newsweek, makes this a truly amazing event, and a news story in and of itself. At last, the truth about our President (illegal alien) (Soetoro aka BHO) and his Agenda are starting to trickle through the protective

wall built around him by the liberal media...

By Matt Patterson (Newsweek Columnist -- Opinion Writer)

Years from now, historians may regard the 2008 election of Barack Obama (Soetoro aka BHO) as an inscrutable and phenomenon, the result of a baffling breed of mass hysteria akin perhaps to the witch craze of the Middle Ages. How, they will wonder,

did a man so devoid of professional accomplishment beguile so many into thinking he could manage the world's largest economy, direct the world's most powerful military, execute the world's most consequential job?

Imagine a future historian examining Obama's (Soetoro aka BHO) pre-presidential (illegal alien) life: ushered into and through the Ivy League, despite unremarkable grades and test scores along the way; a cushy non-job as a "community organizer;" a brief career as a state legislator devoid of legislative achievement (and in fact nearly devoid of his attention, less often did he vote "present"); and finally an unaccomplished single term in the United States Senate, the entirety of which was devoted to his presidential (illegal alien) ambitions.

He left no academic legacy in academia, authored no signature legislation as a legislator. And then there is the matter of his troubling associations: the white-hating, America-loathing preacher who for decades served as Obama's (Soetoro aka BHO) "spiritual mentor;" a real-life, actual terrorist who served as Obama's (Soetoro aka BHO) colleague and political sponsor. It is easy to imagine a future historian looking at it all and asking: how on Earth was such a man elected president (illegal alien)?

There is no evidence that he ever attended or worked for any university or that he ever sat for the Illinois bar. We have no documentation for any of his claims. He may well be the greatest hoax in history. Not content to wait for history, the incomparable Norman Podhoretz addressed the question recently in the Wall Street Journal: To be sure, no white candidate who had close associations with an outspoken hater of America like Jeremiah Wright and an unrepentant terrorist like Bill Ayers, would have lasted a single day.

But because Mr. Obama (Soetoro aka BHO) was black, and therefore entitled in the eyes of liberal Dem to have hung out with protesters against various American injustices, even if they were 'a bit' extreme, he was given a pass. Let that Sink in: Obama (Soetoro aka BHO) was given a pass - held to a lower standard because of the color of his skin.

Podhoretz continues: And in any case, what did such ancient history matter when he was also so articulate and elegant and (as he himself had said) "non-threatening," all of which gave him a fighting chance to become the first black president (illegal alien) and thereby to lay the curse of racism to rest? Podhoretz puts his finger, I think, on the animating pulse of the Obama (Soetoro aka BHO) phenomenon - affirmative action. Not in the legal sense, of course.

But certainly in the motivating sentiment behind all affirmative action laws and regulations, which are designed primarily to make white people, and especially white liberals, feel good about themselves. Unfortunately, minorities often suffer so that whites can pat themselves on the back.

Liberals routinely admit minorities to schools for which they are not qualified, yet take no responsibility for the inevitable poor performance and high drop-out rates which follow. Liberals don't care if these minority students fail; liberals aren't around

to witness the emotional devastation and deflated self-esteem resulting from the racist policy that is affirmative action. Yes, racist.

Holding someone to a separate standard merely because of the color of his skin - that's affirmative action in a nutshell, and if that isn't racism, then nothing is. And that is what America did to Obama (Soetoro aka BHO). True, Obama (Soetoro aka BHO) himself was never troubled by his lack of achievements, but why would he be?

As many have noted, Obama (Soetoro aka BHO) was told he was good enough for Columbia despite undistinguished grades at Occidental; he was told he was good enough for the US Senate despite a mediocre record in Illinois ; he was told he was good enough to be president despite no record at all in the Senate. All his life, every step of the way, Obama (Soetoro aka BHO) was told he was good enough for the next step, in spite of ample evidence to the contrary.

What could this breed if not the sort of empty narcissism on display every time Obama (Soetoro aka BHO) speaks? In 2008, many who agreed that he lacked executive qualifications nonetheless raved about Obama's (Soetoro aka BHO) oratory skills, intellect, and cool character. Those people - conservatives included - ought now to be deeply embarrassed. The man thinks and speaks in the hoariest of cliches, and that's when he has his Teleprompters in front of him; when the prompter is absent he can barely think or speak at all. Not one original idea has ever issued from his mouth - it's all warmed-over Marxism of the kind that has failed over and over again for 100 years. (An example is his 2012 campaign speeches which are almost word for word his 2008 speeches)

And what about his character? Obama (Soetoro aka BHO) is constantly blaming anything and everything else for his troubles. Bush did it; it was bad luck; I inherited this mess. Remember, he wanted the job, campaigned for the task. It is embarrassing to see a president (illegal alien) so willing to advertise his own powerlessness, so comfortable with his own incompetence. (The other day he actually came out and said no one could have done anything to get our economy and country back on track). But really, what were we to expect? The man has never been responsible for anything, so how do we expect him to act responsibly?

In short: our president (illegal alien) is a small-minded man, with neither the temperament nor the intellect to handle his job. When you understand that, and only when you understand that, will the current erosion of liberty and prosperity make sense. It could not have gone otherwise with such an impostor in the Oval Office.
