Gary W writes:

*Dear friends,
I wanted to let you know about a new petition I created on We the People, a new feature on WhiteHouse.gov, and ask for your support. Will you add your name to mine? If this petition gets 99,999 signatures by February 20, 2017, the White House will review it and respond!
We the People allows anyone to create and sign petitions asking the White House to take action on a range of issues. If a petition gets enough support, the White House will issue an official response.
You can view and sign the petition here:*

Thanks - Gary Wilmott

Please help get the requisite 100,000 signatures BEFORE Feb. 20.

Here's some more information about this petition:

Reinstate Lt. Col. Terry Lakin into the U.S. Army with full rank, pay, benefits and pension immediately.

The former Lt. Col. Terrence Lakin was a highly-decorated Army flight surgeon who questioned whether or not the orders he received from Obama were legitimate. Court-martialed, imprisoned, expelled from the Army and denied pay, pension and benefits, Terry was merely following his officer's oath and constitutional duty. It is an outrage that this was allowed to happen. Obama refused to answer Terry's letter and ended up producing a forged birth certificate. Terry who was a medical doctor is a valuable asset to the American military and the fact that his military chain of command and his congressional representatives allowed him to be court-martialed and run out of the army is an outrage for all Americans. This grave injustice needs to be addressed and corrected ASAP.
