**FOR IMMEDIATE RELEASE
ACTION ALERT**

GLOBAL ECONOMIC COLLAPSE Even Trump can't Stop It

2/02/16 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Global Economy News posted (on Jan 29, 2017) a YouTube video titled, **"Imminent Global Economic Collapse 2017 Stock MARKET CRASH! Top Economists Predictions For 2017."** They report:

"Global Economic Collapse is here. The second financial bubble is going to soon burst, and there's nothing anyone can do about it. That's because, as Ron Paul stated, the Federal Reserve has set up the American economy for financial collapse and market crash for printing trillions of dollars back in 2008 and 2009."

"The Federal Reserve's policies of printing trillions of dollars back in '08-09 have locked into place a serious financial crisis at some point in our future," Paul stated. Going so far as to intimate the economic collapse will occur at least some time in the next two years Paul wrote, **"It's unavoidable, and even Donald Trump can't stop it."**
