**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**'CA SANCTUARY STATE' AUTHOR  
Not A U.S. Citizen**

2/07/16 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**[breitbart.com](http://breitbart.com) reported: "California State Senate President Pro Tem Kevin De León (D-Los Angeles) said last Tuesday that "half his family" was in the country illegally, using false documents, and eligible for deportation under President Trump's new executive order against "sanctuary" jurisdictions."**

**"De León, who introduced the bill, made his remarks at a hearing in Sacramento on SB54, the bill to make California a "Sanctuary State."**

He said (at 1:27:34 in the [video](#) that follows):

*... I can tell you half of my family would be eligible for deportation under [President Donald Trump's] executive order, because if they got a false Social Security card, if they got a false identification, if they got a false driver's license prior to us passing AB60, if they got a false green card, and anyone who has family members, you know, who are undocumented knows that almost entirely everybody has secured some sort of false identification. That's what you need to survive, to work. They are eligible for massive deportation.*

NOTE: I have been investigating De Leon since 2002 when I ran for CA Sec of State. He claims he was born in San Diego but there is no birth certificate recorded for him with the State of California. He cannot prove he is a US Citizen. ALL OF HIS FAMILY was born in Mexico. He is nothing more than an illegal alien that has "gamed the system!" Kevin De Leon is in this country ILLEGALLY!
