**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**BANKING INSTITUTIONS  
Dangerous to LIBERTY**

**3/27/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**The American Resistance Party recommends this video: The Secret of Oz by Bill Still**

*"If the American People ever allow the banks to control the issuance of their currency, first by inflation and then by deflation, the banks and corporations that will grow up around them will deprive the people of all property until their children wake up homeless on the continent their fathers occupied. The issuing power of money should be taken from the bankers and restored to Congress and the people to whom it belongs. I sincerely believe the banking institutions having the issuing power of money are more dangerous to liberty than standing armies." - Thomas Jefferson, 3rd President of the USA?*
