Liberty Counsel Action

*From the Desk Of:
Mat Staver, Chairman,
Liberty Counsel Action*

Edward C,

Today's vote by members of the Senate Judiciary Committee on whether Judge Neil Gorsuch's nomination should be considered by the full Senate to be the next Associate Justice of the Supreme Court is vital to the future of Constitution-based law in our nation.

During the confirmation hearings before the Senate Judiciary Committee, Judge Gorsuch told committee members "I have one client, it's the law."

The [American Resistance Party](#) answers with the following declarations.

Judge Gorsuch cannot not possibly become an Associate Justice of the Supreme Court. There has been an illegal alien (aka Barry Soetoro) (aka BHO) from the nation of Indonesia and formerly a citizen of the nation of Kenya squatting in our white house. The office of POTUS has been usurped by this non-American-foreign-national. Soetoro was given a chance to prove his US citizenship in court and failed to do so. The Congress and Supreme Court have failed to address this blow to the U.S. Constitution. The Constitution has ceased to exist. Therefore Gorsuch has no constitutional authority to fill any constitutional vacant position...ANYWHERE!
