**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **TRUMP HAD NO AUTHORITY 'To Declare War'**

**4/10/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

The [American Resistance Party](#) received the following poll:

*Edward C,*

*President Trump unleashed a devastating missile strike against a Syrian airbase last night. U.S. Navy war ships in the Mediterranean launched more than 50 Tomahawk missiles that annihilated their intended targets.*

*The strike was the Trump administration's response to a chemical-weapons attack in the rebel-held, northwestern province of Idlib, Syria, earlier this week. Reports indicate approximately 100 people died, including some 30 children, from the effects of sarin gas.*

**Click here or on the "Yes" button** if you support President Trump's decision to strike the Syrian airbase.  
**Click here or on the "No" button** if you do not think launching 59 Tomahawk missiles against Assad's military was in America's best interests. **Please vote now.**

**It is very clear that Trump had no constitutional authority to make war without Congressional authority to do so. Art II, Sec 1, clause 1 states, "The President shall be Commander in Chief of the Army and Navy of the United States, and of the Militia of the several States, when called into the actual Service of the United States;..."**

**The [American Resistance Party](#) can find no proof that Trump was "called into the actual Service" to do what he did. Art I, Sec 8, Clause 11 of the US Constitution states: "The Congress shall have power...to declare war..." and again, clause 15: (Congress) "To provide for calling forth the Militia to execute the Laws of the Union, suppress Insurrections and repel Invasions;..." Trump had NO CONSTITUTIONAL AUTHORITY to attack without Congressional Authority.**
