United cited no criminal law. He violated his written contract.

Hogwash again! How can a Police Officer violate the 4th Amendment and enforce a civil written contract with criminal enforcement (police action)? It is an IMPLIED BOGUS CRIMINAL TRESPASS that was being enforced! A civil written contract can only be enforced by DUE PROCESS. And I hope you know you could be guilty of LIBEL of Dr. Doa (as is the CANADA FREE PRESS). Maybe he should go after you too?

In the US at least, neglect to pay your rent and you can be evicted in two days. By a police officer or sheriff. Depends on the contract.

And libel in the US requires saying something untrue. I did no such thing. In the case of a public figure, it's almost impossible for said public figure to win. Was Dao a public figure? Yes, he thrust himself into the limelight. So he's a public figure for these purposes, albeit not a general one like PM Trudeau or Pres Trump.

All you have to do is google it. Don't need my JD in law. Why is that so hard?

Okay...I googled it:

Eviction Lawsuits

After the notice period expires, the landlord may file a lawsuit alleging forcible entry and unlawful detainer. The case will be tried as a summary proceeding in a matter of weeks after the landlord files the lawsuit. If the tenant does not show up to defend the charges, the judge will make a default judgment of guilt.

In some states, the judge can order eviction immediately at the end of the trial. But the court customarily gives the tenant time to move out, usually one to four weeks. If the tenant remains after that period, the landlord has to hire the sheriff or marshal to carry out a forcible eviction. That will take several weeks more. Further delays are possible if the tenant files a motion for more time or objects to the court determination. Eviction may take longer if the tenant is being evicted during the winter months.

Thus, the eviction process from the end of the notice period can take from five weeks to three months, assuming there are no delays. Consider speaking with a landlord-tenant lawyer in your area if you have additional questions or need legal assistance.

**YOU ARE SAYING DR. DAO DIDN'T HAVE THE EVICTION RIGHTS
(DUE PROCESS) OF EVERY OTHER AMERICAN?**

As for your 2nd point, YOU ARE STILL SAYING SOMETHING UNTRUE! You are saying Dr. Dao had no rights of DUE PROCESS! How can you justify this statement? Just because UNITED refused to give Dao his constitutional rights as a sovereign citizen... doesn't mean he didn't have those rights from our creator!

The American Resistance Party states YOU HAVE DUE PROCESS RIGHTS AT ALL TIMES!
