**FOR IMMEDIATE RELEASE
ACTION ALERT**

**PAUL PRESTON:
Evacuate Central California NOW!**

4/18/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

thecommonsenseshow.com posted a video titled: “Major breaking story at the Oroville Dam.” They state, “There are number of formidable challenges facing the Oroville Dam. First and foremost, the spring runoff has started and unless there is an usually dry spring, the dam is in very big trouble. Paul Preston is recommending that people evacuate for the next 2 months. The conspiracy of silence is deafening.”

“The other dangers, all equally dangerous are spelled out in the following video.”
