**FOR IMMEDIATE RELEASE
ACTION ALERT**

**RE: CANADA FREE PRESS
California not Constitutional**

04/04/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Canada Free Press emailed Katy Grimes' April 4, 2017 news report titled, "California Senate Passes Unlawful 'Sanctuary State' Bill."

Grimes' article's lead paragraph was, "Democrats in the Senate Monday appeared to be headed for a very public brawl with the Trump administration over passage of **SB 54, by Senate President pro Tem Kevin de León (D-Los Angeles)**, promoting unlawful sanctuary city policies for criminal illegal aliens. SB 54 would prohibit local police departments and sheriffs' deputies from assisting Immigration and Customs Enforcement officers and enforcing federal immigration laws."... **[end quote]**

Comment #1 by Edward C. Noonan (American Resistance Party)

I have been a genealogist since 1969. I am a political constitutionalist-activist... I have researched this so-called **Senate President Pro Tem Kevin de León (D-Los Angeles)**. His bio claims he was born in San Diego in the sixties. However there is no birth record for him in either the County of San Diego or anywhere in the California Birth Index.... **HE CANNOT PROVE HE IS A U.S. CITIZEN!** The **CA Constitution** states, "**Art 4 - Sec(c)** A person is ineligible to **be a member of the Legislature** unless the person is an elector and has been a resident of the legislative district for one year, **and a citizen of the United States** and a resident of California for 3 years, immediately preceding the election." I demand he prove he is a U.S. Citizen before SB54 (or any CA Sen bill) be enacted. I have challenged his ballot qualification since 2002!

Item #2 - Now about this lying-joker who supposedly signed SB54 into law...this "Gov jackass-moonbeam."

The **CA Constitution states: "Art 5 - Sec 2: No Governor may serve more than 2 terms."** Gov Moonbeam claims "he was 'grandfathered-in' and can defy the Constitution. So please point out to me where the Constitution authorizes this so-called grandfather clause and Moonbeam can serve **FOUR TERMS?** I can assure you that there is no such constitutional plank.
