**FOR IMMEDIATE RELEASE
ACTION ALERT**

PART III - YOUR INVITATION To Become An American Citizen

4/22/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Wikipedia describes what “**political corruption**” is, *“Political corruption is the use of powers by government officials for illegitimate private gain. An illegal act by an officeholder constitutes political corruption only if the act is directly related to their official duties, is done under color of law or involves trading in influence.”*

Likewise...On the Christian side there is also “spiritual corruption.” Example:

David C. Grabbe in, “[What Is a False Prophet?](#)” (“Prophecy Watch” Sept-Oct 2006) tells what a false prophet is, “The book of Revelation foretells that at the time of the end, in the last few years of Satan's dominion over the earth, a religious personality will arise and deceive the whole world by means of miraculous signs. This individual is referred to as “another beast” ([Revelation 13:11](#)), as well as “the false prophet” ([Revelation 16:13](#); [19:20](#); [20:10](#)). The False Prophet is given supernatural power to do things like calling fire down from heaven ([Revelation 13:13](#)), and the signs he performs, combined with the demonic words he speaks ([Revelation 16:13-14](#)), will cause people to give their allegiance to—and even worship—the Beast ([Revelation 13:14](#)). This man will wield tremendous religious influence, and inspired by the Dragon, he will successfully convince most of [the world](#) to commit idolatry ([Revelation 13:12](#)).”

So, our forefathers knew our religion and politics would constantly clash! And our 1776 Declaration tells us what to do when corrupt politicians invade our Christian beliefs and take away our inalienable rights given to us by our Creator...

*When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of **nature's God** entitle them, a decent respect to the opinions of mankind requires that they should declare **the causes which impel them to the separation.***

*We hold these truths to be self-evident, that all men are created equal, that they are endowed **by their Creator** with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed.*

Please note that at the top of the Declaration of Independence **BLARE** the words...

IN CONGRESS. JULY 4, 1776... Notice the date that is proudly displayed! It is a declaration of the “1776th year from the birth of our Lord Jesus Christ.”

And Thomas Jefferson ended the Declaration of Independence with the words...

We, therefore, the representatives of the United States of America, in General Congress, assembled, **appealing to the Supreme Judge of the world** for the rectitude of our intentions, do, in the name, and by the authority of the good people of these colonies, solemnly publish and declare, that these united colonies are, and of right ought to be free and independent states; that they are absolved from all allegiance to the British Crown, and that all political connection between them and the state of Great Britain, is and ought to be totally dissolved; and that as free and independent states, they have full power to levy war, conclude peace, contract alliances, establish commerce, and to do all other acts and things which independent states may of right do. And for the support of this declaration, **with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes and our sacred honor.**

There is absolutely no question that the original “13 united States of America” were 100% undivided in their belief that for America to work, it MUST be with the direction and protection of the Divine Providence... because it SAYS SO and the entire assembly signed the document when it passed. And it is LAW!

The Declaration of Independence Part of American Law

Professor John Eidsmoe, Professor of Law at Faulkner University School of Law, writes:

"The role of the Declaration of Independence in American law is often misconstrued. Some believe the Declaration is simply a statement of ideas that has no legal force whatsoever today. Nothing could be further from the truth. The Declaration has been repeatedly cited by the U.S. Supreme Court as part of the fundamental law of the United States of America .

"The United States Code Annotated includes the Declaration of Independence under the heading 'The Organic Laws of the United States of America' along with the Articles of Confederation, the Constitution, and the Northwest Ordinance. Enabling acts frequently require states to adhere to the principles of the Declaration; in the Enabling Act of June 16, 1906, Congress authorized Oklahoma Territory to take steps to become a state. Section 3 provides that the Oklahoma Constitution 'shall not be repugnant to the Constitution of the United States and the principles of the Declaration of Independence.'" (Christianity and the Constitution, pp. 360-361)

If it is part of our “law” do you know any of the words of the Declaration of Independence by heart? Do you know any of the Bible by heart?
