**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **WILLIAM GHEEN: Demands Trump Honor Campaign Promises**

**4/27/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**William Gheen Makes Final Push for Trump To Honor Campaign Promises on Immigration**

**April 26, 2017**

*Americans for Legal Immigration PAC activists are making final calls to Donald Trump at the White House (202-456-1414) and to Attorney General Jeff Sessions (202-353-1555) asking for an immediate end to Obama's unconstitutional DACA Amnesty and dangerous Muslim refugee resettlement programs like the one with Australia.*

*While Donald Trump promised during the campaign to build a wall on our southern border, to end DACA (Deferred Action for Childhood Arrivals) Amnesty on his first day in office, and to stop risky Muslim refugee resettlement programs, his decision to retreat on all three promises in his first 100 days in office threatens to cause permanent fracturing and distrust from his base.*

*ALIPAC plans to drop the national organization's defense and endorsement of President Trump next Monday (May 1) if DACA Amnesty and the "dumb" Australian refugee deal remain in place at the end of Trump's first 100 days in office despite the public outcry.*

### **And Gheen ends with:**

*"Trump's continuation of DACA Amnesty is a violation of the US Constitution, numerous existing federal laws, Trump's oath of office, and his campaign promises," asserted Gheen. "Trump needs to listen to and respect those who elected him and honor these promises immediately, or support for his administration will begin rapidly collapsing."*
