**FOR IMMEDIATE RELEASE
ACTION ALERT**

BOOK REVIEW: 'America's Former Christian History'

5/27/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Today **WND** was advertising Gary Demar's new book titled, **"America's CHRISTIAN HISTORY - The Untold Story."** This was the **attached summary**:

In 1892, the Supreme Court of the United States declared, "This is a Christian nation."

During the War for Independence, Congress resolved to import 20,000 volumes of the Bible because "the use of the Bible is so universal, and its importance so great."

The New England Confederation stated that the purpose of the colonies was "to advance the Kingdom of our Lord Jesus Christ and to enjoy the liberties of the gospel in purity with peace."

Harvard College required that each student believe that "the main end of his life and studies is to know God and Jesus Christ which is eternal life."

John Adams wrote, "The Christian religion is...the Religion of Wisdom, Virtue, Equity, and humanity."

Engraved on the metal cap on the top of the Washington Monument are the words "Praise be to God."

[end quote]

Sadly, the American Resistance Party declares that the Christian religion is no longer the religion of America. It has been completely been replaced by secularism and the worship of Satanic dogma. It's the 1918 Russian Constitution that states, "In order to ensure genuine freedom of conscience for the working people, the church is separated from the State, and the school from the church: and freedom of religious and anti-religious propaganda is recognized for all citizens." This is now your current Supreme Law of your NWO overlords.

The title of the Demar's book should be: "America's FORMER CHRISTIAN HISTORY."
