**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **GLOBAL EVIL, Curse of the Community Organizer**

**5/03/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**Stan Escudero posted an article in The Guidepost titled, “Curse of the community organizer.” He writes:**

*DAYTONA BEACH, Fla. -- We are living through the divisive, hate-filled legacy of Barack Obama.*

*Our nation is more divided than at any time since the Civil War. Donald Trump won the 2016 election fair and square. **But the Democrat Party and their socialist, media, academic and entertainment allies are in constant attack mode**, vowing to resist any and all forms of cooperation with the Trump Administration. Especially on university campuses, efforts to voice points of view which differ from the leftist meme of the moment are disrupted and threatened with violence, often encouraged by faculty. And the very idea of congressional compromise has become a lost dream.*

*Yet we should have expected nothing less from **Obama, a neo-Marxist** with a strong affection for the Islamic faith who opposes virtually all that America has stood for and who dedicated his presidency to the weakening of our nation at home and the reduction of its influence abroad.*

*From infancy until he entered the US Senate, every meaningful influence on **Obama’s intellectual development was Marxist, often outright communist, to one degree or another. A disciple of the Leninist theoretician Saul Alinsky and imbued with the Third World view of America as the purveyor of global evil, the young Barack Obama set out to be a community organizer.***

**The American Resistance Party state, the Marxist Democrat Party and their illegal alien (Kenyan born/Indonesian citizen) (aka BHO) mounted a coup against the US Constitution in 2008. They successfully destroyed the founding document and ran the Marxist Obama/Clinton/Sander campaigns. They conquered our nation without firing a shot!**
